blofeld synth	stereo

**bass/b. vocals/sax: Kat**

**Monitor\***

Kat	
vocal mic	mono
mic + stand (for sax)*	mono
bass	mono

**drums: Ray**

**Monitor\***

Ray	
mic on snare*	mono
overhead left*	mono
overhead right*	mono
mic on kick*	mono
2 mics on toms*	mono x 2
(The tom mics must have stands, they can't be fitted to Ray's toms)	

\* we need these items supplied by the venue/organiser. Everything else we bring ourselves.

Gordon & Kat need an electrical outlet each near their equipment

Please note in a small café bar where we can play off backline this rider does not apply. Please let us know as we must bring an additional amp.

This setup applies for a mid to large sized venue.

We sometimes change the layout depending on the gig. Generally it is Gordon seated on one side with Kat in the middle slightly forward and Ray seated on the other side. But sometimes it is Gordon & Kat forward on either side with Ray in the middle and behind.
